About MESCE

M.E.S College of Engineering, the first Engineering College established under the self financing sector in Kerala is situated on the beautiful and serene banks of Nila or Bharathapuzha. It was established as an institution with minority status in 1994. Widely acknowledged as one of the premier institutions imparting technical education in the state, the college offers admission to all categories of students with special consideration to educationally backward communities...

Department of Computer Application

Department of Computer Applications started in the year 1999 offers full-time Master of Computer Applications program. This was the first MCA program to be offered in the self-financing sector in Kerala. Since its inception, it had been producing technical graduates whose presence have spanned the entire spectrum of Information Technology in India and abroad.
